

# MILITARY & DEFENSE

## Logistics Solutions

### Service, Dedication, Communication

BTX Global Logistics is honored to serve our Military & Defense sector. We are dedicated to service and communication at every step of the transportation pipeline.

### Why choose BTX?

- **We have Experience:** BTX has over 40 years of expertise moving military and Department of Defense (DOD) cargo worldwide.
- **We are Always Ready to Serve:** Our dedicated Operations team is ready to help move your freight 24/7/365, holidays and weekends. We pride ourselves in service and constant communication.
- **We Make it Easy:** BTX leverages technology to keep things simple for you. We provide digital copies of all key documents, commercial invoices and a hard copy POD. BTX also uses branded tape to help easily identify your cargo.
- **We Keep it Secure:** Your freight is stored in secure warehouses with surveillance. Photos of your freight are taken along the way to offer you peace of mind.
- **We Offer Advanced Technology:** Our advanced technology allows you to track and trace your cargo anywhere in the world providing real-time visibility via the BTX website, MyBTX or an API/EDI integration.
- **We are Timely Responsive & Flexible:** Contact BTX Global Logistics for your military and defense logistics needs at: [gov@btxglobal.com](mailto:gov@btxglobal.com).

## Government, Military & Defense:

BTX Global Logistics has been providing end-to-end integrated supply-chain solutions by land, air and sea since 1980. We have over 40 years of experience moving military and DOD cargo worldwide. Our team of experienced professionals is always ready to handle your high-value, critical shipments.

Whether it's AOG, NFO, Air Charter, or in-theater delivery to a military zone, BTX is committed to getting it done right and on time. Our in-house Customs Brokerage division enables BTX to provide faster country-specific documentation assistance and clearance.
